"3D" Sailfish

This Sailfish is the first "3D" take on my typical bottle cap artwork. It was also the first, of potentially many, collaborations with my brother ([Kris M. Studios](#)) who created the wood base. I really like how the added relief and cuts in the wood make this fish much more realistic and really jump off the wall!

Calgary International Beer Fest

May 2 & 3

Back in 2023 I recreated Alberta Beer Festivals [Edmonton](#) & [Calgary](#) logos, and also had a great time as a [vendor](#) at both events.

ABF Events

This past weekend, I attended the Edmonton Craft Beer Festival, this time as a guest instead of a vendor! It's such an awesome event, and also a great opportunity for me to get my hands on some unique bottle caps. Shout out to Blind Enthusiasm, Prairie Bee Meadery, Won Soju, Good Day Soju, Chimay, Erdinger, Delirium, and Averbode for saving their caps for me!

I am stoked to share that I will be a **vendor with ABF** again, this time at the **Calgary Beer Fest May 2 & 3**. We will have a lot of prints for sale in person, with a couple of originals available as well. If you're local and planning on attending, please come by my booth and say hello! I'll share more details as I receive them.

Bottle Cap of the Month

Each month I'll be featuring a "bottle cap of the month" to show a unique bottle cap I incorporate into my pieces, as well as to mention the brewery who makes the awesome beer and cap! I wouldn't be here doing what I do without breweries who continue to design and use unique caps, so let's show them some love.

Fruitful Pursuits Cherry

Edmonton, Alberta

I tried Blind Enthusiasm's latest release, the Fruitful Pursuits Cherry, at the ABF Edmonton Craft Beer Festival and it was my favourite of the night! These guys are on another level and I'm so fortunate that they're local and I have easy access to their amazing creations!
